Description of position: (include experience requested, wages, hours, duties, etc.)

Tennessee Veterinary Dentistry & Oral Surgery is actively seeking a veterinary technician specialist in dentistry and/or anesthesia. We are a well-established referral only practice located just south of Nashville in Brentwood. We currently have two dental suites, complete with everything you might expect! We practiced high-end dentistry and anesthesia, complete with ventilators, CRI's, Hot Dog warming systems, and Surgi-Vet monitors. We are the only dental specialty practice in middle Tennessee with plans to expand to other locations in the near future. Looking for an honest, hard-working individual with ambition and integrity to join the team and become a leader in the area helping to educate technicians and other practices while making significant contributions to the practice. We offer a competitive salary with plenty of time off to enjoy life away from work. If interested, please send a resume and cover letter to Dr. Stein at vetdentist3@gmail.com.

Posting date: December 12, 2016
