Do you want to have fun at work, help dogs and cats, and stay current in the veterinary medical profession with tons of CE?

Our clinic is dedicated to the philosophy that preventive care allows us to diagnose problems early. We utilize the most modern techniques and equipment and have developed a team of skilled and caring support staff who share our goal to achieve an excellent level of care for every patient. Our team recognizes the very special bond between pets and their owners.

For the right candidate, we have a full-time schedule and a benefits package including health insurance, paid time off, 401k and profit sharing eligibility, CE, and veterinary care discounts.

If you have proven technical skills, anesthesia and dental experience, and most importantly the ability to connect with both pets and people, please apply by submitting both a detailed cover letter and resume.

3+ years experience in veterinary technician role

Current NYS veterinary technician license

We need someone who loves people, loves pets, and has a good sense of humor. This team is a family!
